

*about the conference...*

This conference is a focused study on the Minor Prophets. Eight speakers will preach the good news of Jesus Christ from the Minor Prophets and make practical applications.

Is there any hope when much of the Church and State are both apostate?

Our goal, by the blessing of the Holy Spirit, is to gain encouragement and a clearer understanding of how we can faithfully serve the Lord as the people of God as we trust in Christ Jesus who is our sure Hope even in the face of apostasy.

If you have any questions about the conference, please call, email, or take a look at our website (info listed on back of brochure).
